Make your next event more spirited with 2 Dine 4 Bar Catering. Our beverage team excels at providing craft cocktails, bespoke wine selections, local & popular beers and skilled mixologists to make your event effortless. From corporate events to family celebrations, we offer full-service bar catering custom-designed for your group of any size.

Known for almost a decade as the go-to place for brunch, Sawyer & Co.'s mimosas and bloody marys can't be beat for morning events to start the day off right. But, our classic New Orleans cocktails make your nighttime sizzle with a French 75, Sazerac, Old Fashioned, Gin Fizz and Milk Punch. Our frozen machines can serve your guests the best daquiris this side of the Mississippi and our Hurricanes are made with all the passion (fruit) sure to enliven your party.

More than a paper umbrella in your drink, Tiki is perfected by masterful Rum blends, fresh juice and a commitment to fun. The newest edition to our beverage offering was inspired by our 1952 Spartan trailer. We hired John Solis, formerly of Tiki Tatsuya to work his magic in crafting an Austin spin on classic Tiki drinks that serve every taste completed with a sharable punch bucket and sand pail. Perfect for a pool party or backyard pink flamingo festival. But, you don't need a boat or a beach to have fun, all you need is the right drink in your hand to change your attitude. Sneaki Tiki can pop up anywhere you want to be with craft bartenders in Hawaiian shirts

De Nada Cantina margarita bar offers the best in craft margaritas made with fresh lime juice and small batch tequilas. Add in our well-known, signature spicy pineapple and El Chignon for an Austin experience like no other. Our tequila and mezcal selection includes the best highland and lowland bottles available outside of Mexico. Recently featured in Texas Monthly, the simplicity of De Nada lies in the essence of interior Mexican flavors and hospitality that can make your event feel more than you imagined with less complication.

With 35 years of catering and beverage experience, 2 Dine 4 Fine Catering offers enlightened hospitality through bespoke care of your food or beverage options. Our wine is curated by our certified wine educator, Greg Randle. Chris Bostick is behind our tequila and mezcal selections. And our team loves to lean into your theme by crafting the perfect specialty drink to embrace the occasion. Let us manage your rentals, bar set-up, alcohol and non-spirited beverages.
